Fun Friday; this is a weekly behavior incentive. You should be seeing a "Splash Pass" in your child's agenda each day. This tells you what color they are on each day. Please sign Splash Pass at the end of the month. When your child returns it they will get a reward. The goal is to not clip down more than 3 times a week. If they do not meet this expectation or have incomplete work/homework, they will have to go to Study Hall instead of Fun Friday- Thank You!

***Please send in bus notes and dismissal changes in on paper, not in agenda's. Thanks
